A One Day Workshop on **Aadhaar Enabled Biometric Attendance System (AEBAS)** was organized by the Pharmacy Council of India in association with Ultra College of Pharmacy on 11th February 2026. The workshop aimed to provide detailed guidance on the implementation and effective utilization of the Aadhaar-enabled biometric attendance system in pharmacy institutions as per PCI norms.

The session was delivered by **Mr. Jashubhai Hirabhai Chaudari, Vice President, PCI**, and **Dr. P. Sathiamurthi, IT Chairman, PCI**. They elaborated on the objectives, technical framework, installation process, and operational guidelines of AEBAS. The speakers also emphasized the importance of transparency, accountability, and real-time monitoring of attendance data to ensure regulatory compliance.

The resource persons explained the integration process, data management, security aspects, and troubleshooting measures associated with the system. They also clarified common queries raised by participants regarding implementation and reporting procedures.

Dr. N. Balakrishnan, Principal and **Dr. C. Buvana, HOD & Professor** from Rathinam College of Pharmacy actively participated in the workshop. The program was highly informative and provided valuable insights into strengthening institutional administration through the effective implementation of AEBAS. The knowledge gained from the workshop will be implemented in the institution to ensure smooth functioning and compliance with PCI guidelines.
