<b>No of Staffs Participated</b>	: 03
<b>No of Students Participated</b>	: 49

The **Rathinam College of Pharmacy** organized an **Industrial Visit** for the **II year B.Pharm students** on **03rd September 2025** to the **Pasteur Institute of India, Coonoor**. A total of **49 students** along with **3 faculty members** actively participated in the visit. The visit aimed to bridge the gap between theoretical knowledge and practical exposure, enabling students to gain insights into real-time industrial processes. During the visit, the students were given a detailed orientation on the functioning of the institute, focusing on the production of vaccines, quality control procedures, instrumentation techniques, and safety measures followed in the pharmaceutical industry.

The session provided them with valuable knowledge regarding research methodologies, industry standards, and regulatory aspects involved in vaccine production and pharmaceutical manufacturing. The industrial visit was highly beneficial as it enriched the students' learning experience, inspired them towards research and innovation, and gave them practical exposure to pharmaceutical industry operations.
