Rathinam College of Pharmacy successfully organized the *Medicinal Plant Plantation Programme* on 22nd December 2025 at the Medicinal Garden with active participation from faculty members and I B.Pharm students. The programme aimed to create awareness about the importance of medicinal plants in pharmacy education, healthcare, and environmental sustainability. A total of 60 I B.Pharm students and 5 staff members participated enthusiastically in the programme, making it a successful and meaningful learning experience. The initiative promoted eco-friendly practices and instilled a sense of social and environmental responsibility among students.

The Medicinal Plant Plantation Programme concluded successfully, reinforcing the institution's commitment to holistic education, environmental conservation, and experiential learning. The programme served as a valuable platform for students to connect theoretical knowledge with practical application.
