Rathinam College of Pharmacy successfully organized a **Guest Lecture on “Financial Literacy to Pharma Students”** on **06.11.2026** at the **Seminar Hall**. The program was conducted with the objective of enhancing financial awareness and money management skills among pharmacy students. The lecture was delivered by **Mr. Kalyanasundaram K. E., Chartered Accountant and Authorized Financial Education Trainer**, who shared his expertise in personal finance and financial planning.

During the session, the resource person emphasized the importance of financial literacy for professional and personal growth, especially for students entering the healthcare and pharmaceutical sectors. The program was well received and proved beneficial in equipping students with essential financial knowledge for their future careers.

Key Points on Guest Lecture

It's all about money, not just money alone, but on personal finance, income, savings, investments, loans, budgeting, retirement planning, inflation, banking, digital payment, cyber security, social media, password and many more.

When the students learn these things, naturally, they apply it in their personal wellbeing resulting in a happy state of mind.
