No of Students Participated : 59

An Industrial Visit was organized by Rathinam College of Pharmacy on **03.07.2026** to **East West Pharma** with the objective of providing practical exposure to pharmaceutical manufacturing and quality assurance practices. A total of **59 First B.Pharm students**, accompanied by **3 faculty members**, participated in the visit. During the program, the students observed various pharmaceutical manufacturing processes, quality control procedures, packaging operations, and Good Manufacturing Practices (GMP) followed in the industry. The visit enabled the students to bridge the gap between theoretical knowledge and industrial applications, enhanced their understanding of pharmaceutical production, and motivated them to explore professional opportunities in the pharmaceutical sector. The industrial visit was informative, interactive, and highly beneficial for all the participants.
