Rathinam College of Pharmacy, organized an industrial visit to AAVIN Dairy Farm, Pachapalayam on 03 July 2026 for the II B.Pharm students. A total of 50 students accompanied by 3 faculty members participated in the visit. The primary objective of the visit was to provide students with practical exposure to industrial operations, quality assurance practices, and hygienic manufacturing processes followed in the dairy industry. During the visit, the students observed various stages of milk procurement, pasteurization, homogenization, packaging, cold storage, and distribution. The technical team at AAVIN explained the importance of quality control, sanitation, food safety standards, and regulatory compliance maintained throughout the production process.

The students also gained valuable insights into laboratory testing procedures, quality assurance protocols, and the implementation of Good Manufacturing Practices (GMP) in food processing industries. The interaction with industry professionals enhanced the students' understanding of industrial workflow and highlighted the significance of maintaining quality and safety in manufacturing.
