EVENT REPORT

Name of the Event : Guest Lecture
Theme of the Event : Campus to Corporate - Opportunities in Core Companies for Healthcare IT Careers
Organized by : Rathinam College of Pharmacy
Date & Time : 12.03.2026
Venue : Board Room
No of Staffs Participated : 03

Rathinam College of Pharmacy organized a Guest Lecture on "Campus to Corporate: Opportunities in Core Companies for Healthcare IT Careers" on 12.03.2026 at the Board Room. The program was conducted by the Placement Cell with the objective of creating awareness among students about the wide range of career opportunities available in Healthcare IT companies and to guide them in successfully transitioning from academic life to the corporate environment. The session focused on helping students understand industry expectations, required professional skills, and the importance of preparing themselves for careers in core healthcare technology companies.

The resource person shared valuable insights on the rapid growth of the Healthcare IT sector and highlighted various career roles such as software development, healthcare data management, health informatics, and system support in hospitals and healthcare organizations. The speaker also emphasized the importance of technical knowledge, communication skills, problem-solving abilities, and continuous learning to succeed in corporate careers. The session was interactive and informative, enabling students to gain a better understanding of industry requirements and motivating them to prepare effectively for placement opportunities in the Healthcare IT sector.
