

## EVENT REPORT

**Name of the Event** : Workshop  
**Title of the Event** : Microgreens Forming  
**Organized by** : Rathinam College of Pharmacy  
**Date & Time** : 17.04.2026  
**Venue** : Pharmaceutical Biotechnology Lab  
**No of Participants** : 13

Rathinam College of Pharmacy successfully organized a **Microgreens Farming Workshop** on **17th April 2026** at the Pharmaceutical Biotechnology Lab. The workshop aimed to provide participants with practical knowledge on cultivating nutrient-rich microgreens both at home and on a commercial scale. The program included detailed insights into microgreens varieties, soil and hydroponic growing techniques, germination, maintenance, harvesting, packaging, and effective marketing strategies.

The workshop featured hands-on training sessions such as live demonstrations, tray setup, seeding practice, and harvesting guidance, which enhanced participants' practical skills. It attracted a diverse group including students, farmers, home gardeners, and aspiring entrepreneurs. Overall, the event was informative and impactful, encouraging participants to adopt sustainable and profitable microgreen farming practices.
