## EVENT REPORT

**Name of the Event** : Pool Campus Drive  
**Theme of the Event** : Trainee Medical Coders & Accounts Receivable  
**Organized by** : Rathinam College of Pharmacy  
**Date & Time** : 17.04.2026  
**Venue** : Central Instrumentation Room  
**No of Participants** : 90

Rathinam College of Pharmacy organized a Pool Campus Drive on 17.04.2026 (Friday) at the college premises for the recruitment of Trainee Medical Coders and Accounts Receivable Executives in collaboration with **Omega Healthcare**. The program was conducted by the Training and Placement Cell with the objective of providing employment opportunities and connecting students with a leading global healthcare service organization. The drive created awareness about career opportunities in medical coding, revenue cycle management, and accounts receivable processes, while also offering insights into industry expectations, career growth prospects, and the professional skills required for fresh graduates entering the corporate sector.

Eligible candidates from Pharmacy, Allied Health Sciences, Life Sciences, Paramedical, and other degree backgrounds actively participated in the drive. The recruitment process conducted by Omega Healthcare helped students understand the importance of communication skills, domain knowledge, and professional attitude. The initiative encouraged students to enhance their employability skills and prepared them for careers in the healthcare services sector, while also providing a platform to interact with industry professionals and explore diverse career pathways, thereby bridging the gap between academic learning and corporate expectations.
